Message from the Company

To Unitholders

Overview of the Thai Stock Market December 1, 2019 to November 30, 2020

December 2019 to November 2020: In the first half of December 2019, the SET continued to move down as investors waited to see if there would be a US-China trade deal. The two countries finally agreed on phase one of a trade deal and this boosted global and Thai stock markets in the second half of December 2019. Momentum continued in January 2020 until the emergence of novel coronavirus known as "COVID-19". The coronavirus appeared first in Wuhan, China, then spread to other provinces in February 2020 before extending its reach globally in March 2020. Thailand's first case was diagnosed in mid-February 2020 and the high for daily new cases was in March 2020, leading the government to announce a state of emergency in order to contain the virus. Expecting this to do heavy damage to economies, investors around the world, including Thai, fled from risky assets to cash, leading stock markets to plummet. The SET sank from 1,580 at end-2019 to 2020's low of 1,000 in March 2020; in the process, the circuit breaker was triggered three times. In the lockdown, some businesses were ordered to close, international flights were banned and transportation was limited. Once the outbreak began to get under control, evidence by a steady decrease in daily new cases, investors returned to buy into the market, which twitched the market up in April 2020 - May 2020. The government and Bank of Thailand launched urgent measures to aid businesses and individuals damaged by COVID-19, easing investor concerns. However, the SET reversed down in June 2020 despite continued absence of local transmission, as elsewhere in the world new infections and deaths continued to surge. The only bright spot was good news about progress on a coronavirus vaccine from time to time. Anti-government demonstrations began to heat up in September 2020 and escalated after the government ordered them to break up in mid-October 2020. Earnings season began in mid-October 2020 and most companies reported both YoY and QoQ falls, another issue that clouded investor sentiment. The SET closed at 1,408.31 on November 30, 2020. The market picture changed in November 2020 on the good news that Joe Biden won the US presidential election, leading capital to flow into emerging markets as investors expect Biden's foreign policy to be more compromising and cooperative than Trump's. Foreign investors were a net buy of more than 30 billion baht in the Thai stock market in November 2020, notably in cyclical shares. Progress in a COVID-19 vaccine also supported, with tests showing it was more than 90% effective. The SET closed November 2020 at 1,408.31.

SET return between December 2019 to November 2020 was -11.46%. The largest positive returns were in ETRON at +199.64%, AGRI at +63.42% and AUTO at +9.01%. The largest negative returns were in BANK -29.57%, PF&REIT -27.50% and TOURISM -26.84%. Foreign investors were net sellers of 291 billion baht.

INDEPENDENT AUDITOR'S REPORT

To The Unitholders and Managing Company of United Thai Equity CG Fund

Opinion

I have audited the financial statements of United Thai Equity CG Fund (The Fund), which comprise the balance sheet and the statement of detail of investments as at November 30, 2020, and the statement of income and retained earnings, statement of changes in net assets, statement of cash flows and the significant financial information for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of United Thai Equity CG Fund as at November 30, 2020, and its financial performance, its changes in net assets, its cash flows and its significant financial information for the year then ended in accordance with Financial Reporting Standards.

Basis for Opinion

I conducted my audit in accordance with Thai Standards on Auditing. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Fund in accordance with the Federation of Accounting Professions' Code of Ethics for Professional Accountants together with the ethical requirements that are relevant to my audit of the financial statements, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and my auditor's report thereon. The annual report is expected to be made available to me after the date of this auditor's report.

My opinion on the financial statements does not cover the other information and I will not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

When I read the annual report, if I conclude that there is a material misstatement therein, I am required to communicate the matter to management in order management to correct the misstatement.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Thai Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

The engagement partner responsible for the audit resulting in this independent auditor's report is Ms.Thanyaphorn Tangthanopajai.

(Ms.Thanyaphorn Tangthanopajai)

UNITED THAI EQUITY CG FUND SIGNIFICANT FINANCIAL INFORMATION FOR THE YEAR ENDED NOVEMBER 30, 2020

	Baht				
	For the year end	For the period from			
			December 4, 2017		
			(registered date of		
			the fund) to		
	2020	2019	November 30, 2018		
Information on results from operations (per unit)					
Net assets values at beginning of year	9.5777	9.9363	10.0000		
Income (loss) from investing activities:		,			
Net income from investments *	0.1008	0.1397	0.0897		
Net realized (gain) loss on investments **	(0.9287)	(0.7759)	0.1430		
Net unrealized (gain) loss on investments **	(0.4704)	0.2776	(0.2964)		
Increase (decrease) in net assets from operations	(1.2983)	(0.3586)	(0.0637)		
Net assets value at the end of the year	8.2794	9.5777	9.9363		
Ratio of increase in net assets from operations					
to average net assets during the year (%)	(18.51)	(1.26)	(3.48)		
Supplemental significant financial ratios and information	n				
Ratio of total expenses to average net assets during the year (%) 1.81	1.79	1.78		
Ratio of investment income to average net assets during the year	ear (%) 3.04	3.20	2.65		
Ratio of weighted average purchase and sale of investmen	nts				
during the year to average net asset during the year **	* (%) 69.08	105.13	495.65		
The average of net assets value during the year (Baht)	842,763,228.72	1,424,292,268.24	733,443,551.73		
Net assets value at the end of the year (Baht)	606,271,661.43	1,174,120,077.27	1,582,176,520.60		
Total units balance at the end of the year (Units)	73,225,762.3873	122,588,694.6479	159,231,786.5983		

Supplemental information :-

- * Based on average investment units outstanding throughout each year.
- ** The amounts reported may not accord with the change in aggregate gains and losses in securities during the year because of the timing of sales and purchases of investment units in relation to the fluctuating market values during the year.
- *** This is not included cash at bank and investment in promissory notes and trading investments that should be the independent trading transactions which are not included repurchase agreements or resale agreements.

Notes to financial statements form an integral part of these statements.

1. NATURE OF UNITED THAI EQUITY CG FUND

UNITED THAI EQUITY CG FUND (UTHAICG) is an open-end of equity instruments fund, that focuses on investment in the equity instruments of the listed companies in the stock Exchange of Thailand (SET) and/or MAI or other secondary markets of SET. Natures of the fund is as follows:

Registered Date of the fund : December 4, 2017

Authorized Capital of Project : Baht 5,000 million consisted of 500 million units of Baht 10 each.

Date of Project : Indefinite

Dividend Payout Policy : No dividend payment

UNITED THAI EQUITY CG FUND is managed by UOB Asset Management (Thailand) Company Limited.

The Fund has a policy to invest in the equity instruments of listed companies on the Stock Exchange of Thailand and/or MAI Stock Exchange or other secondary market of the Stock Exchange of Thailand. The Fund will focus investing in companies with good corporate governance including companies certified as members of the Thai private sector's alliance against corruption (CAC). Good corporate governance may be considered from the CG scoring of the Thai Institute of Directors or other agencies involved on an average in an accounting year not less than 80% of the net asset value of the fund. For the remaining investment, the Fund may invest in debt instruments with non-investment grade credit rating or unrated securities and may invest in unlisted securities that meet the requirements of the Securities and Exchange Commission of Thailand (SEC).

The Fund may enter into derivatives to enhance efficient portfolio management including investment risk hedging such as SWAP and/or forward contract in reference with the instrument price, interest rate and/or future contract, etc. as required or approve by the SEC. This also includes securities lending transaction or reverse repo that meet the requirements of the SEC. Nevertheless, the Fund will not invest in instrument that has the characteristics of structured notes.

Thai Military Bank (Public) Company Limited is the Fund's trustee.

UOB Asset Management (Thailand) Company Limited is the Fund's registrar.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of financial statement preparation

The financial statements are prepared and presented in accordance with Thai Accounting Standards No. 106 - Accounting for investment business and other related accounting standards, these standards are the Financial Reporting Standards generally accepted in Thailand.

The financial statements of the Fund have been prepared in Thai language and expressed in Thai Baht. Such financial statements have been prepared for domestic reporting purpose. For the convenience of the readers not conversant with the Thai language, an English version of financial statements has been translated from the Thai version of financial statements.

2.2 Recognition of revenues and expenses

2.2.1 The fund recognizes revenues on an accrual basis as follows :-

Interest income is recognized on the accrual time basis.

Interest income arising from amortization of premium or discount of debt instrument is calculated by the effective rate basis.

Gain or loss on sale of investments is recognized on trade date and the cost of investments is calculated by the weighted average cost basis.

Unrealized gain (loss) from valuation of investments is recognized as income or expense in the statement of income.

2.2.2 The fund recognizes expenses on an accrual basis.

2.3 Investments measurement

Investments are recognized as assets with the cost of investment at the date on which the Fund has the right on investments. The costs of investments are comprised with the purchase price and all direct expenses which the Fund paid to acquire those investments.

Investments in securities are stated at fair value. The fair value of listed securities (including the subscription rights) is based on the closing price of securities quoted on the Stock Exchange of Thailand.

Debt instruments are presented at fair value, using the sale price or the yield rate from the Thai Bond Market Association on the date of investment measurement.

The Fund used the amortized cost method to determine the fair value of debt instruments due within 90 days since the date of investment without any term for renewal when the fair value of the debt instruments is not significantly different from the amortized cost.

Net unrealized gains or losses arising from the revaluation of investments to be fair value are reflected in the statement of income on the measurement date.

2.4 Net assets value per unit

Net assets value per unit is computed by dividing net assets value by the number of fund units outstanding at the end of the year.

2.5 Use of accounting estimates

Preparation of financial statements in conformity with the Financial Reporting Standards requires management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

2.6 Related party transactions

Related parties of the Fund comprise enterprises and individuals who directly or indirectly own a voting interest of at least 10 percent in the Fund or individual management personnel who are responsible for the management of the Fund, determining its policies or making decisions as to how to achieve the Fund's objectives, together with their spouses and dependents.

In addition, related parties include enterprises and individuals that control or are controlled by the Fund or significantly influence or are significantly influenced by the Fund.

2.7 Equalization account

A portion of the proceeds from the issuance or redemption of fund units, equivalent to the amount of undistributed retained earnings on the date of transactions of the amounts of unit issued or redeemed, is recorded in "Equalization account".

2.8 Income tax

According to the Revenue Code Additional Amendment Act (No. 52) announced in the Royal Gazette on May 22, 2019 effective August 20, 2019 onward, the Fund has to pay income tax for the assessed income under Section 40 (4) (kor) of the Revenue Code from the investment of mutual fund such as bond interest, saving interest, debenture interest, bill interest and difference between redeem price and bill selling price or debt instruments that the company or corporate partnership or other juristic entity is the issuer and first seller at the price below the redeem price, by paying at the income tax rate 15 percent of income before deducting any expenses.

2.9 Financial reporting standard that become effective in current year

During the year, the Fund has adopted the newly issued and revised financial reporting standards 2018 issued by the Federation of Accounting Professions which become effective for fiscal years beginning on or after January 1, 2019. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards, with most of the changes directed towards revision of wording and terminology, and provision of interpretations and accounting guidance to users of standards. The Fund's management has assessed the effect of the newly issued revised financial reporting standards do not have any significant impact on the financial statements for the current year.

2.10 Financial reporting standard that will become effective in the future

During the year, the Federation of Accounting Professions of Thailand ("TFAC") in respect of TFRSs related to financial instruments are effective for accounting periods beginning on or after January 1, 2020, TAS 106 "Accounting for Investment Business" is cancelled. The Association of Investment Management Companies has, therefore, issued the Accounting Guidance for Mutual Fund and Provident Fund ("the Accounting Guidance"), which has been approved by the Securities and Exchange Commission of Thailand ("SEC"). The Accounting Guidance stipulates that an entity adopting the guidance not refer to other financial reporting standards promulgated by the Federation of Accounting Professions of Thailand ("TFAC") in respect of matters covered by the Accounting Guidance, while for those matters not covered by the Accounting Guidance, the entity is to follow the financial reporting standards issued by TFAC that are effective in that financial reporting period.

The Accounting Guidance specifies the accounting treatment, disclosure of information in the preparation of the financial statements, components and the presentation format, including related notes to the financial statements. The Accounting Guidance contains certain different requirements from those of the previous financial reporting standards that the Fund had adopted. Upon initial application of this Accounting Guidance, it required the Fund to adopt the prospective approach without having to apply the retrospective approach.

9. DISCLOSURE OF FINANCIAL INSTRUMENTS

9.1 Accounting policies for financial instruments

The details of the significant accounting policies, method used, including a basis on the recognition of income and expense for financial assets and financial liabilities are disclosed in Note 2.

9.2 Financial risk management for financial instruments

The fund manages its exposure to financial risk on financial assets from investment by its investment policy and management and control system. The Fund may be used derivative instruments for hedging foreign currency risk on exchange rate.

9.3 Fair value of financial assets and liabilities

Investments are stated at fair value. The fair value of other financial assets and financial liabilities does not differ from their carrying value in materiality.

9.4 Interest rate risk

The Fund's exposure to interest rate risk relates primarily to its cash at bank. However, since these financial assets are relatively short-term and carry floating interest rates, the Fund's interest rate risk is low.

As at November 30, 2020, the Fund had significant financial assets classified by types of interest rates as follows:-

	Baht					
	Floating rate	Fixed rate	No interest	Total		
Financial assets						
Investment	-	-	497,238,155.00	497,238,155.00		
Deposit	109,827,634.54	-	-	109,827,634.54		

As at November 30, 2019, the Fund had significant financial assets classified by types of interest rates as follows:-

	Baht				
	Floating rate	Fixed rate	No interest	Total	
Financial assets					
Investment	-	-	1,000,035,565.00	1,000,035,565.00	
Deposit	186,023,164.34	-	-	186,023,164.34	

9.5 The risk from changes in the market price of equity instruments

The Fund is exposed to market risk because it has investments in equity instruments. The changes in the state of investment in the stock market affect the stock price. The factors that have an effect may be divided into the risk associated with the overall market (Market Risk) and the risk arising from specific factors (Specific Risk), which may result in changes in the value of investment assets and fluctuations of income or the value of financial assets.

The Fund cannot fully eliminate these risks. However, the approach to help reduce specific risk can be achieved by appropriately distributing the investment weights in each security and in each business and balancing good return and risk not to be over the risk of the market. For the market risk, the Fund is unable to eliminate or reduce such risk since it is the basic risk in this type of equity instruments.

9.6 Market risk

The Fund's market risk relates primarily to investments in the capital markets whose returns fluctuate in line with the economy, political situation, capital markets. These circumstances may have positive or negative effects on the performance of the companies issuing securities depending on how sensitive the business types of the issuers are linked to the volatility of the markets and result in the price of these securities to be higher or lower.

9.7 Exchange rate risk

The Fund has no financial assets or liabilities denominated in foreign currencies. Therefore, there is no exchange rate risk.

9.8 Credit risk

The Fund is exposed to the risk of non-performance of the obligations under the financial instruments by the contractual parties. As the Fund has accounts receivable from bank that is in the normal business of the fund, it does not anticipate material loss from such debt collection.

9.9 Liquidity risk

Liquidity risk is the risk that arises from the lack of marketability to turn the assets into cash and/or to secure sufficient capital quickly enough to prevent a loss or to use the cash to settle an obligation when due.
