Message from the Company

To Unitholders

Market Summary

Chinese stock had an extraordinary return over the past year. Even though, Chinese equity met with high volatility in the first quarter of 2020 from being an epicenter of COVID-19 pandemic. However China is one of the first country that could contain number of infected people per day and Chinese economy could also rapidly recover before others from monetary and fiscal stimulus package. In addition, Chinese equity market has a concentration in technology stock which benefit from the situation.

INDEPENDENT AUDITOR'S REPORT

To the Unitholders of UOB Smart Greater China Fund

Opinion

I have audited the financial statements of UOB Smart Greater China Fund ("the Fund"), which comprise the balance sheet

and the details of investments as at 30 November 2020, and the statement of income, statement of changes in net assets,

statement of cash flows and significant financial information for the year then ended, and notes to the financial statements,

including a summary of significant accounting policies.

In my opinion, the financial statements present fairly, in all material respects, the financial position of UOB Smart Greater

China Fund as at 30 November 2020, and its financial performance, changes in its net assets, cash flows and significant

financial information for the year then ended in accordance with Thai Financial Reporting Standards.

Basis for Opinion

I conducted my audit in accordance with Thai Standards on Auditing. My responsibilities under those standards are further

described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent

of the Fund in accordance with the Federation of Accounting Professions' Code of Ethics for Professional Accountants

together with the ethical requirements that are relevant to my audit of the financial statements, and I have fulfilled my other

ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient

and appropriate to provide a basis for my opinion.

Other Information

Management is responsible for the other information. The other information comprises information including in annual

report but does not include the financial statements and my auditor's report thereon, which is expected to be made available

to me after that date.

My opinion on the financial statements does not cover the other information and I do not and will not express any form of

assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information identified above

and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my

knowledge obtained in the audit, or otherwise appears to materially misstated.

When I read the annual report, if I conclude that there is a material misstatement therein, I am required to communicate the

matter to management to make correction the misstatement.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Thai Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Thai Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Thai Standards on Auditing, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate
 in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal
 control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 NOVEMBER 2020

1. NATURE OF UOB SMART GREATER CHINA FUND

UOB Smart Greater China Fund ("the Fund") was registered with the Office of the Securities and Exchange Commission ("SEC") on 4 December 2007 with a registered value of Baht 1,500 million (divided into 150 million investment units at Baht 10 each). UOB Asset Management (Thailand) Company Limited ("the Management Company") serves as the Fund's Manager and Investment Unit Registrar. TMB Bank Public Company Limited serves as the Fund's Trustee.

The Fund is an open-ended feeder fund with no stipulated project life. Its policy is to invest mainly in foreign unit trust of United Greater China Fund which is managed by UOB Asset Management Ltd., at the average rate of not less than 80 percent of the Fund's net asset value.

The Fund's policy is not to pay dividends to unitholders.

2. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS

The financial statements of the Fund are prepared in accordance with Thai Financial Reporting Standards ("TFRS") including related interpretations and accounting guidance promulgated by the Federation of Accounting Professions in accordance with generally accepted accounting principles in Thailand. In addition, the financial statements have been prepared in accordance with Thai Accounting Standard No. 106 "Accounting for Investment Companies".

The financial statements of the Fund have been prepared in the Thai language and expressed in Thai Baht. Such financial statements have been prepared for domestic reporting purposes. For the convenience of the readers not conversant with the Thai language, an English version of the financial statements has been provided by translating from the Thai version of the financial statements.

Adoption of New and Revised TFRS

New and revised TFRS that became effective in the current year

During the year, the Fund has adopted revised TFRS (revised 2018) and new TFRS which are effective for the financial statements for the period beginning on or after 1 January 2019. These TFRS were aimed at alignment with the corresponding International Financial Reporting Standards with most of the changes directed towards clarifying accounting treatment and providing accounting guidance for users of the standards.

The new TFRS are as follows:

TFRS/TFRIC Topic

TFRS 1 First-time Adoption of Thai Financial Reporting Standards

TFRS 15 Revenue from Contracts with Customers

TFRIC 22 Foreign Currency Transactions and Advance Consideration

The adoption of these TFRS does not have any significant effects on the Fund's financial statements.

The Issuance of the Accounting Guidance for Mutual Funds and Provident Funds

On 26 December 2019, the SEC approved the Accounting Guidance for Mutual Funds and Provident Funds issued by the Association of Investment Management Companies, which is effective for the financial statements for the period beginning on or after 1 January 2020.

The management of the Fund is assessing the effects of this accounting guidance on the financial statements for the year in which it is initially applied.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Measurement

Investments are recognized as assets with the cost of investment at the date on which the Fund has the right on investments. The costs of investments are comprised with the purchase price and all direct expenses which the Fund paid to get those investments.

- Investments in foreign unit trust are stated at fair value by using the latest value of net assets per unit on the date of valuation.

Net unrealized gains or losses arising from their revaluation of investments to be fair value are reflected in the statement of income on the measurement date.

The weighted average method is used to determine the cost of each security at the time of sales.

Revenues and Expenses Recognition

Interest income is recognized as interest accrues, based on the effective rate method.

Other income and expenses are recognized on an accrual basis.

Gain or loss on trading of securities is recorded as revenues or expenses on trading date.

Accounts in Foreign Currencies

Accounts in foreign currencies are converted into Baht at the rates of exchange on the transaction date. Assets and liabilities in foreign currencies at the end of the year are converted into Baht at the rates of exchange on that date. The derivative contracts are converted at the contract rates on the transaction date.

Outstanding derivative contracts are marked to market by comparing contract rates to forward rates established by the contracting bank with same maturity. At each balance sheet date, the unrealized gains or losses on outstanding derivative contracts, calculated as described above, are included within accounts receivable or accounts payable from derivative contracts in balance sheets.

Gain or loss on conversion is included in the statements of income.

Income Tax

The Fund shall pay income tax according to the Revenue Code based on income under section 40 (4) (a) at the rate of 15% of income before deducting expenses.

Use of Accounting Judgments and Estimates

Preparation of financial statements in conformity with generally accepted accounting principles requires management to make judgments and estimates that affect the reported amounts of assets, liabilities, revenues, expenses and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

The judgments and estimates are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

9. DERIVATIVE CONTRACTS

As at 30 November 2020, the Fund had forward contracts outstanding balance in the amount of Baht 2.72 million to exchange SGD 0.12 million.

10. DISCLOSURE OF FINANCIAL INSTRUMENTS

The Fund does not speculate in or engage in the trading of any derivative financial instruments.

Fair Value

As the majority of financial assets and financial liabilities are short-term, and most financial assets are marketable securities, which are presented at fair value based on their quoted market prices, the Fund believes that their carrying value does not materially differ from their fair value.

Interest Rate Risk

Interest rate risk represents the probability that debt instrument may increase or decrease in value due to the general fluctuation in interest rates in the market. Debt instrument will decrease in value when the market interest rate increases and will increase in value when the market interest rate decreases. The longer the life of debt instrument is, the more sensitive their prices to the interest rate fluctuation.

Credit Risk

The Fund is exposed to the risk of nonperformance of the financial instruments obligations by counterparties since the Fund has accounts receivable. However, such financial assets are due in the short-term, so the Fund does not anticipate material losses from its debt collection.

Foreign Currency Risk

As at 30 November 2020 and 2019, the Fund had foreign currency accounts without hedging as follows:

	Singapore Dollars		
Accounts	2020	2019	
Investments (at fair value)	3,511,640.11	3,762,334.94	
Cash at bank	4,773.20	14,240.07	
Accrued other income	2,871.82	3,114.43	

The Fund entered into derivative contracts for hedging of exchange rate on investments in foreign currency (see Note 9).

Market Risk

The Fund is exposed to the risk from changes in market prices with respect to its investments in foreign unit trust. The returns on investment fluctuate depending on the economic and political situation including the status of financial and capital markets. The mentioned situations may affect the operation of the financial instruments' issuers in a positive or negative way depending on the kind of business of those issuers and how they relate with fluctuating market, which may arise to an increase or decrease of the financial instruments' market price.

Risk Management

The fund manager of United Greater China Fund will analyze any factors which may affect price and the said fund has a policy to diversify its investments in securities that have business in Hong Kong, China and Taiwan. The main markets invested are the Hong Kong, Shanghai, Shenzhen and Taiwan Stock Exchanges.

11. OTHER INCOME

Other income included the rebate in management fee of the UOB Asset Management Ltd. to the Fund at the rate of 1.00 percent per annum of the market value of investments in United Greater China Fund.

12. APPROVAL OF THE FINANCIAL STATEMENTS

These financial statements have been approved for issue by the authorized persons of the Fund on 29 December 2020.
