Message from the Company

To Unitholders

Market Summary

From mid-2024 through July 2025, the global macro backdrop showed resilience but with slower momentum. World GDP growth in 2025 is expected around 2.8–3.0%, supported by cooling inflation and steady consumption, but capped by weak trade and ongoing tariff frictions. Inflation has broadly moderated from 2024 highs, with goods prices easing while services and wage growth remain sticky, keeping risks skewed upward. Major central banks shifted to a pause-and-watch stance: the U.S. held rates steady as growth slowed but avoided contraction, Europe paused after initial cuts with inflation near target, and Japan maintained a cautious tightening bias while monitoring trade risks. Energy dynamics tilted disinflationary as oil demand growth slowed and supply capacity improved, though geopolitical disruptions remain a watchpoint. Regional divergence is a key theme: the U.S. economy is decelerating but still underpinned by productivity and investment in AI-led sectors; Europe shows stabilization after fiscal and monetary support; Japan benefits from corporate reforms and wage growth; emerging markets are mixed, with India continuing robust expansion and China showing signs of recovery through policy stimulus and property stabilization, though longer-term structural challenges remain. Overall, the outlook into 2H25 suggests a soft-landing scenario with modest growth, easing inflation, and persistent cross-market dispersion, but with elevated risks from tariffs, services inflation, and geopolitical shocks.

Fund's Investment Strategy

The fund invests into Global X Robotics & Artificial Intelligence ETF (Master Fund) at least 80% of NAV. The master fund seeks to invest in companies that potentially stand to benefit from increased adoption and utilization of robotics and artificial intelligence (AI), including those involved with industrial robotics and automation, non-industrial robots, and autonomous vehicles.

Asset allocation as at July 31, 2025

Global X Robotics & Artificial Intelligence ETF

www.pvaudit.co.th

INDEPENDENT AUDITOR'S REPORT

To the Unitholders of United Robotics & Artificial Intelligence ETF

Opinion

I have audited the financial statements of United Robotics & Artificial Intelligence ETF ("the Fund"), which comprise the statement of financial position and details of investments as at 30 June 2025, and the statement of comprehensive income and statement of changes in net assets for the year then ended, and notes to the financial statements, including a summary of

significant accounting policies.

In my opinion, the financial statements present fairly, in all material respects, the financial position of United Robotics & Artificial Intelligence ETF as at 30 June 2025, and its financial performance and changes in its net assets for the year then ended in accordance with the Accounting Guidance for Mutual Funds and Provident Funds issued by the Association of Investment Management Companies and approved by the Securities and Exchange Commission.

Basis for Opinion

I conducted my audit in accordance with Thai Standards on Auditing. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Fund in accordance with the Code of Ethics for Professional Accountants, including Independence Standards issued by the Federation of Accounting Professions (Code of Ethics for Professional Accountants) that are relevant to my audit of the financial statements, and I have fulfilled my other ethical responsibilities in accordance with the Code of Ethics for Professional Accountants. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

I have determined that there are no key audit matters to report.

Other Information

Management is responsible for the other information. The other information comprises information including in annual report but does not include the financial statements and my auditor's report thereon, which is expected to be made available to me after that date.

My opinion on the financial statements does not cover the other information and I do not and will not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit, or otherwise appears to materially misstated.

When I read the annual report, if I conclude that there is a material misstatement therein, I am required to communicate the matter to management to make correction the misstatement.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Accounting Guidance for Mutual Funds and Provident Funds issued by the Association of Investment Management Companies and approved by the Securities and Exchange Commission, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Thai Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Thai Standards on Auditing, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate
 in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2025

1. GENERAL INFORMATION

United Robotics & Artificial Intelligence ETF ("the Fund") was registered with the Securities and Exchange Commission

("SEC") on 18 July 2022 with the registered value of Baht 2,000 million (divided into 200 million investment units at Baht 10

each). UOB Asset Management (Thailand) Company Limited ("the Management Company") serves as the Fund's Manager,

Thailand Securities Depository Company Limited serves as the Fund's Investment Unit Registrar and KASIKORNBANK

PUBLIC COMPANY LIMITED serves as the Fund's Trustee.

The Fund is an open-ended fund with no stipulated project life. Its policy is to invest in a foreign unit trust of Global X

Robotics & Artificial Intelligence ETF (Master Fund) averaged in an accounting period not less than 80% of its net asset

value, which is managed by Global X Management Company LLC. The said fund was registered in NASDAQ Stock

Exchange of the United States. Therefore, the Fund may enter into derivative contracts for hedging of the risk of foreign

currency exchange rate.

The Fund's policy is not to pay dividends to the unitholders.

2. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS

The financial statements of the Fund are prepared in accordance with the Accounting Guidance for Mutual Funds and

Provident Funds issued by the Association of Investment Management Companies and approved by the SEC ("Accounting

Guidance"), while for those matters not covered by the Accounting Guidance, the Fund applies Thai Financial Reporting

Standards issued by the Federation of Accounting Professions.

The financial statements in Thai language are the official statutory financial statements of the Fund. The financial statements

in English language have been translated from the Thai language financial statements.

3. SIGNIFICANT ACCOUNTING POLICIES

<u>Investments</u>

Investments are recognised as assets at fair value at the date on which the Fund has the right on investments.

- Investments in foreign unit trusts are presented at fair value by using the latest closing price on the date of investment

measurement.

Net unrealised gains or losses arising from their revaluation of investments to be fair value are reflected in profit or loss.

The weighted average method is used to determine the cost of each security at the time of sales.

9

Revenues and Expenses Recognition

Dividend income is recognised on the date of declaration and having the right to receive the dividend.

Interest income is recognised as interest accrues, based on the effective interest rate method.

Expenses are recognised on an accrual basis.

On disposal of an investment, the difference between net consideration received and carrying amount is recognised in profit or loss.

Accounts in Foreign Currencies

Accounts in foreign currencies are converted into Baht at the rates of exchange on the transaction date. Assets and liabilities in foreign currencies at the end of the year are converted into Baht at the rates of exchange on that date. The derivative contracts are converted at the contract rates on the transaction date.

Outstanding derivative contracts are marked to market by comparing contract rates to forward rates established by the contracting bank with same maturity. At the end of the year, the unrealised gains or losses on outstanding derivative contracts, calculated as described above, are included within accounts receivable or accounts payable from derivative contracts in statement of financial position.

Foreign exchange differences are recognised in profit or loss.

Income Tax

The Fund shall pay income tax according to the Revenue Code based on income under section 40 (4) (a) at the rate of 15% of income before deducting expenses.

Use of Accounting Judgments and Estimates

Preparation of financial statements in conformity with Accounting Guidance requires management to make judgments and estimates that affect the reported amounts of assets, liabilities, revenues, expenses and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

The judgments and estimates are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

4. INVESTMENT TRADING INFORMATION

The Fund had purchases and sales of investments during the year as follows:

	Ва	Bant		
	2025	2024		
Purchases of investments	134,157,181.48	53,153,308.35		
Sales of investments	135,356,304.75	49,777,116.90		

5. RELATED PARTY TRANSACTIONS

6.

During the year, the Fund had significant business transactions with the Management Company and other enterprises, which have the same shareholders and/or directors as the Management Company and the Fund. Such transactions for the years ended 30 June 2025 and 2024 were summarised as follows:

	Baht			
	2025	2024	Pricing Policy	
UOB Asset Management (Thailand)	Company Limited			
Management fee	332,494.15	242,293.26	The basis star	ted in the prospectus
UOB Kay Hian Private Limited				
Commission fee	125,738.96	82,826.28	Market price	
As at 30 June 2025 and 2024, the Fu	nd had the significant outstan	ding balances wi	th the related cor	npany as follows:
			Bal	ht
			2025	2024
UOB Asset Management (Thailand)	Company Limited	-		
Accrued management fee			50,116.03	25,334.18

		В	aht	
		20)24	
	Notional		Fair Val	ue
	Amount	Ass	sets	Liabilities
Forward exchange contracts	171,100,929.00		962.58	1,283,805.05

7. DISCLOSURE OF FINANCIAL INSTRUMENTS

Fair Value Estimation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between buyers and sellers (market participants) at the measurement date. The Fund used quoted prices in active markets in measuring assets and liabilities which required to be measured at fair value under related accounting guidance. In case that there is no active market for identical assets or liabilities or the quoted prices in active markets are not available, the Fund will estimate the fair value using valuation techniques that fit to each circumstance and try to use observable data that is relevant to the assets or liabilities to be measured as much as possible.

The following table shows fair value of financial instruments categorised by measurement approach with different levels in a fair value hierarchy as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

	Baht					
	As at 30 June 2025					
	Level 1	Level 2	Level 3	el 3 Total		
Assets						
Fund	54,427,597.51	-	-	54,427,597.51		
Derivative contracts	_	1,607,452.87	-	1,607,452.87		
<u>Liabilities</u>						
Derivative contracts		295,844.59	-	295,844.59		
		Baht				
		As at 30 June 2024				
	Level 1	Level 2	Level 3	Total		
<u>Assets</u>						
Fund	56,690,439.44	-	-	56,690,439.44		
Derivative contracts	-	962.58	-	962.58		
<u>Liabilities</u>						
Derivative contracts	-	1,283,805.05	-	1,283,805.05		

Investments whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed unit trust. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified within level 2. These include over-the-counter derivatives.

During the year, there were no transfers within the fair value hierarchy.

Interest Rate Risk

Interest rate risk is the risk that value of financial assets and financial liabilities is subject to change due to the movement of market interest rates.

The following table summarises the Fund's interest rate risk, which comprised fair value of financial assets and financial liabilities and categorised by type of interest rates:

	Baht							
	Outstanding	Outstanding balance of net financial instruments as at 30 June 2025

Credit Risk

The Fund is exposed to the credit risk of non-performance of the financial instruments obligations by counterparties since the Fund has accounts receivable. However, such financial assets are due in the short-term, therefore, the Fund does not anticipate material losses from its debt collections.

Foreign Currency Risk

As at 30 June 2025 and 2024, the Fund had foreign currency accounts as follows:

	USD			
Accounts	2025	2024		
Investments (fair value)	1,676,087.75	1,541,296.85		
Cash at banks	2,050,571.52	6,022.34		
Accounts receivable from dividend and interest	7,873.50	1,829.51		
Accounts receivable from sales of investments	75,003.69	<u>-</u> ·		
Accrued expenses	75.00	-		

The Fund entered into derivative contracts for hedging exchange rates on investments in foreign currency (see Note 6).

Market Risk

The Fund is exposed to the market risk from changes in market prices with respect to its investments in foreign unit trust. The returns on investments fluctuate depending on the economic and political situation including the status of financial and capital markets. The mentioned situations may affect the operations of the financial instruments' issuers in a positive or negative way depending on the kind of business of those issuers and how they relate with fluctuating market, which may arise to an increase or decrease of the financial instruments' market price.

Risk Management

The fund manager of Global X Robotics & Artificial Intelligence ETF will analyse any factors which may affect price and the said fund has a policy to provide investment results that correspond generally to the return of the Indxx Global Robotics & Artificial Intelligence Thematic Index. It will invest in securities that related to robotics and AI not less than 80% of the fund's net asset value.

8. APPROVAL OF THE FINANCIAL STATEMENTS

These financial statements have been approved for issue by the authorised persons of the Fund on 13 August 2025.
